

EXPEDITION COLOMBIA MEDICAL MISSIONS

COLOMBIA,
SOUTH AMERICA
AUG 7 - 16

TRIP OVERVIEW

Visit and provide medical clinics in Medellín, Colombia. Provide support and services to residents of Esther's House (pregnancy rescue center).

Experience: Our team will work with our partners, Global Transformation Ministries, to set up medical triage clinics in areas of the city serving locals as well as the homeless and refugee communities. Our team will also provide support and services to the residents (mothers and babies) of Esther's House - a pregnancy rescue center.

Engage: Our team will provide intake a triage medical services for patients during open clinic days and participate in outreach ministry in the community. Small groups will work on various projects at Esther's House and minister to the residents.

Explore: This expedition will include a city tour and excursion towards the end of the trip.
