A STUDY THROUGH EPHESIANS

Why Spend Time with God?

Being a Christian is about being in relationship with Jesus Christ. Like any meaningful relationship, time together and communication are key.

To grow in Christ, you need to share what is on your heart and mind (in prayer), as well as listen to what He has to say to you (by reading the Bible). Doing this daily will strengthen your relationship with Jesus.

What is a Quiet Time?

Quiet Time is a term often used by Christians as any time set aside to spend one-on-one with God. Usually, this involves reading the Bible, learning from it, and praying. You will find it helpful to have a set time each and every day. You may start with just a few minutes a day, but as you grow in your relationship with Christ, the time you spend with Him grows as well.

How Do I Use This Guide?

This guide is a tool to help you learn from the Bible as you read through the book of Ephesians. In addition, each day there is a reading from another passage of the Bible that has the same theme. This guide is intended to be a six-week plan with five readings per week.

God to be with you
