

# RIDGEKIDS WANTS TO PROVIDE YOUR CHILD WITH A CLEAN, SAFE, AND FUN ENVIRONMENT

## HERE'S WHAT YOU NEED TO KNOW:

### PREPARE FOR SUNDAY

**REGISTER YOUR CHILD** EACH Sunday at (website)

*\*Space is limited, so registration earlier in the week for the upcoming Sunday is recommended.*

**PLEASE BRING** your child in a mask every Sunday.

**ON YOUR CHILD'S FIRST SUNDAY**, please bring the following supplies:

- **Two Years-Preschool:** A gallon size ziplock with their first and last name on the front. Please include a small box of crayons and a glue stick.
- **Elementary:** A gallon size ziplock with their first and last name on the front. Please include a small box of crayons, 1 glue stick, safe scissors, 1 pencil, and 1 pen.

*\*These supply bags will be stored in your child's small group for the school year. Each child having their own art supplies will allow us to minimize touch between children.*

### REGISTRATION AND DIRECTIONAL CHANGES

**NAME TAGS** will be pre-printed and waiting in their small group rooms. Please do not stop at the registration desk, but go directly to your room.

**TO MINIMIZE CROWDS** in the lobby and hallway, please have **ONLY ONE** parent take each child to their room and pick them up.

**STICKERS ON THE FLOOR** will indicate where to wait during drop-off and pick-up. A volunteer will monitor the number of people in our RidgeKids hallways.

**PLEASE FOLLOW THE ARROWS** on the floor after dropping your child off to the lobby. One-way traffic flow will create more social distance.

### KEEPING OUR AREAS CLEAN AND SAFE

**EVERYONE WILL RECEIVE** a temperature check prior to entering our church building on Sunday mornings.

**ALL VOLUNTEERS AND CHILDREN** will be asked to wear a mask during the service.

**ALL VOLUNTEERS AND CHILDREN** will receive hand sanitizer upon entrance to the ministry area and at exit. Additionally, they will receive hand sanitizer before and after snack and before and after using the bathroom.

**VOLUNTEERS WILL WEAR GLOVES** when serving snack to preschool and nursery children. No snack is provided in our elementary environments.

**ALL ROOMS** have been reduced to 50% capacity to allow childcare to keep 6 ft apart.

**ALL TOYS** in preschool and nursery rooms will be sanitized before and after each service.

**ALL COMMONLY TOUCHED SURFACES** will be sanitized in all RidgeKids areas before and after each service.

**ALL ACTIVITIES AND CRAFTS** have been planned with keeping social distance in mind and minimizing touch between children.

### FUN

**IT IS OUR HOPE** to provide your child with a FUN experience on Sunday morning that points them to Jesus!

Even as we take extra efforts to keep our programs clean and safe, it is our greatest hope to lead your child to take next steps in their journey with God.
